Broken Water Service --

Chillicothe Municipal Utilities is responsible for maintaining the water service line from the main to the curb shut off (or meters in pits). Broken or leaking service lines, from this point to the service building, are the responsibility of the property owner. Property owners shall immediately repair or replace any known leaking portion of their service line. The City may discontinue the service until repairs can be completed.

Billing adjustments are not provided to customers in the event of a broken water line within the service building.

This rate schedule is subject to an 8.00% PILOT fee. Industrial customers' accounts are subject to a 3.00% PILOT fee (Effective 6/1/2017).
